# TheBESTPR00

That our Clothes are made right and wear right is that good dressers buy of us. We buy only dependable Clothing from reliable manufacturers, and we are as careful that the garments fit you perfectly and that your general appearance is correct as you could possibly be yourself.

Our stock of Spring and Light-Weight Clothing, swell Hats and fine Furnishings is now at its best, and we urge you not to delay in making your selections. When you call you must not fail to see the swell garments made by those famous Rochester manufacturers, Michaels, Stern & Co., Stein-Bloch Co. and L. Adler Bros. & Co.

Eashionable dressers can select a model Suit in any of the swell fabrics for this season at \$10, \$12, \$15 and \$18 and save enough on the Suit to buy a Hat and several articles in Furnishings. We also have Suits at \$20 and \$25 that are worthy of the attention of the most fastidious men; but we guarantee a perfect fit in any price Suit that we sell.

We want to call your particular attention to our Juvenile Department. In it we are very strong. Some of the boys will soon need Confirmation Suits. We have an elegant line and we want you to see them.

Come in and see the beautiful new 50-cent Neckwear we have just received.

we have just received.

AT Ironton CHARLES GRAHAM stole \$67.50 worth of old brass from the Chesapeake and Ohio Railway Com-Cheenpeake and Ohio Railway Com-pany, and the Jury fined him \$10 and costs, to be paid by service in the Cin-cinnati Workhouse. If Charles had stolen a dosen chickens from some farmer he would probably have been sent to the Penitentiary for about five

years.

"OLD SOLDIER," discussing the propriety of a universal decoration of graves on May 30th, writes to The Ashland Independent—
"May 50th—Decoration Day—by act of Congress of the United States, has been made a National holiday, not alone to decorate the graves of fallen herees, but to decorate the graves of Theorem, all who here deed fathers, mothers, but be decorate the graves of Theorem, all who here deed fathers, mothers, busheads, wives, brothers, sisters and children, should term out and participate in the exercises on that solemn occasion faced by wise heads for that purpose."

The esteemed Comrade is in error. Decoration Day is not a National boliday; it is simply a legal holiday, and not even that in the states of Alabama, Arkansas, Florida, Georgia, Idaho, Louisiana, Mississippi, New Mexico, North Carolina, Scuth Cerolina, Texas and Virginia. There is no "National" boliday—not even the Fourth of July.

Juntor Elks.

Frankfort, Ky., May 28.—A new secret society has been instituted here. It has been designated as the Brotherhood of Junior Elks. The ultimate plan of its promoters is to make it an auxiliary to the Elks. Only sons, grandsons or brothers of Elks are eligible.

THE ISLAND NOT FOREIGN TERRITORY

The Lower Court is Sustained in Its Judgment Favoring the Gov-ernment's Contention.

Case and the second of the Dobrey Cases.

Washington, May 28,—In the United States supreme court Monday opinions were handed down in all but two of the cases before that country to the cases before that country to the cases in which no enclusion was monounced were those known as the fourteen diamond rings case, and the second of the Dooley cases. The undecided Dooley case deale with a phase of the Porto Ricean question, and the diamond rings case, involves the control of the Cooley cases. The undecided Dooley case deale with a phase of the Porto Ricean question, and the diamond rings case involves merchandise from the Philippines.

Of the several cases decided Monday the two which attracted the greatest share of attention from the court were what as known as the De Lima case and that known as the De Lima case and that known as the Duvines case, and of these two the opinion in the Downes case is considered the ruture relations, whereas the plant case dealt with a transitional places of our insular relations. The De Lima case was the first to receive the strention of the court, and as it appeared to be quite aweepingly opposed to the government, and as it appeared to be quite aweepingly opposed to the povernment, and as it appeared to be quite aweepingly opposed to the povernment of displaced the court was very evenly divided on both cases, but political lines were rount and the conclusion was announced in the Downes case. "The De Long court was very evenly divided on both cases, but political lines were to at all controlling."

The Pewer to Collect Day.

court was very evenly divided can both cases, but political lines were not at all controlling.

The Power to Collect Dety.

The De Lime case involved the power of the government to collect a duty on goods imported into the collect a duty on goods imported into the collect a duty on goods. Imported into the collect a duty on goods imported into the collect a duty on goods imported into the collect a duty on goods. Imported into the collect a duty on goods imported into the collect and the government's condention in the power of the collect and the good of t
